"We make sport a way of life"

WELCOME

Sport & Life Academy is a high performance tennis academy formed by the 4 pillars that we consider basic to properly develop the tennis career of our players:

- Coaches with past like players, with the formation and vocation suitable to take to the player to its maximum exponent.

- Methodology of own and contrasted teaching, according to the needs that the current tennis project, aiming to develop in our players the technical, tactical, physical and mental aspects to 100%.

- Tennis program adapted to the needs of each player, assigning a head coach to every 2 players in tennis and a physical coach to every 4 players in physical training, offering the player the personalized treatment he requires.

- Sports facilities adapted to the needs of the tennis player. All this located in a place of high standard in quality of life (La Eliana) and in one of the most beautiful cities with the best climate of the Mediterranean Sea (Valencia).

In addition, we have a Study Program for foreign tennis players from 13 to 18 years old at the prestigious Iale International School, with capacity for more than 700 students and currently teaching to resident and non-resident players in the European Union. Iale International School is located on the premises of the tennis academy.

Academy of Tennis, Residence and College, in the same center.

These aspects make Sport & Life Academy one of the few tennis academies in the world that offers an integral service to the tennis player.

"We've got it several times. We want to do it with you. "
